

NEXUS - THE GREEN ROUNDTABLE

GREEN BUILDING RESOURCE CENTER EXPANSION

LOCATION | Boston, MA, USA

CLIENT | Green Roundtable

SIZE | 1,750 GSF

DATE OF COMPLETION | Spring 2009 (anticipated)

XChange, in association with Rolf Jensen and Associates, Inc. (code consultant), Boy Scouts of America (construction volunteers) and Steve Works, LLC (general contractor), is leading the design and construction of the Green Roundtable's training area interior improvements, a 2,000 SF expansion that will include new and enhanced exhibition areas and training room facilities.

Phase I of the project was completed in June 2008. Overall project completion is anticipated in early Spring of 2009.
